Hi,

This is an FYI as it pertains to our EHV and Voucher work in general and for our PRK decompression efforts.

Tanaz, I know the Cecil was at the leasing event at the Grand and now that all the units will be covenanted and HACLA approved, this building becomes a real option. We do need to understand the population mix and also services that will be available at this site. This is NOT a project based, but rather a building that will have contracts with HACLA and LAHSA I believe to house individuals with HCV, EHV, Rapid Rehousing, etc.

Greetings,

Hope this finds you and all of those you care for safe and well!

We're delighted to announce a leasing event at the recently renovated Cecil Hotel, 640 S. Main Street, Los Angeles, CA 90014 on Wednesday, June 29, 2020 from 9:00 AM - 1:00 PM. Our team will be conducting tours and assisting with applications for anyone with a tenant-based voucher or Rapid Rehousing Subsidy looking for a permanent home. There are currently 522 SRO units available at the Cecil, 100 of which have private bathrooms. The Cecil is proud to offer a women's only floor for women who prefer that option. Additional amenities include 24/7 security, recreational room with resident activities, laundry facility and a shared kitchen with all new appliances. Voucher rents are established as follows: HACLA vouchers and programs, \$1242, LACDA vouchers and programs, \$1245, City of Santa Monica vouchers and programs, \$1522. Rapid rehousing subsidy clients will need a social worker's participation to complete the leasing process.

Please see attached flyer. Please contact Raoul Zibi, raoul.zibi@skidrow.org or 213-248-0855 for additional leasing information.

Please share this invitation with your case managers, program managers, and clients with vouchers or rapid rehousing subsidy. We're looking forward to working with you to bring our unhoused neighbors home.

Light refreshments will be available throughout the day.

All the best,

Jet
